

Facebook Advertising with Prime Publishing

Why advertise with Prime?

On average, our Facebook ads generate 440,000+ impressions (# of times ads are seen) in a month; with average reach (# of people who viewed the ad at least once) of 250,000.

Some ads generate over 12,000 clicks per week.

We will create customized Facebook campaigns based on your goals and needs. These could be boosted Facebook posts, increased site traffic campaigns, conversion ads, lead generation ads and more.

You gain exposure to our 4 million Facebook followers, along with 100's of customized, targeted audiences.

Our audiences are highly-engaged, giving you the best opportunity for your ads to succeed.

What we offer

You get customized advertising packages on Facebook depending on your needs. We offer as few as one campaign to start, or a combination of ad types to ensure effective testing and roll-out.

Put our proven Facebook advertising expertise to work for you!
